**MEMBERSHIP DUES GUIDE**

1. The annual payment of dues is a constitutional obligation of each Member Association.
2. The annual dues scale is adopted by the General Assembly and assessed for each member country, per calendar year, in Euros.
3. In a country where there is more than one Member Association, the Associations decide amongst themselves on the share payable by each of them.
4. In the case where an Association from a country which is not yet represented in the WVF applies for membership, the Executive Board assesses an appropriate level in the annual dues scale, pending approval by the subsequent General Assembly.
5. Unless otherwise notified, it is assumed that the dues are shared equally between all the Member Associations of a same country.
6. The “demand” letter for membership dues are sent annually to all Member Associations by the WVF Secretariat. In the case of a country where there is more than one Member Association, requests to pay agreed shares may be sent directly to them.
7. The dues must be paid in full within the first three months of the calendar year to which they apply. Any dues not paid by 31 March of that year are considered in arrears. In the case where dues have not been paid for two consecutive years, without written consent of the Treasurer General, the provisions stated in the 2nd paragraph of Article 9 of the Constitution then apply
